SUBJECT:

Request for Copy of Product
of Contract Research

1. The External Research Staff, Department of State is building up a library of the end products of the research projects reported in its quarterly inventories of Government-sponsored research. It would like to have two copies of each report for permanent retention where possible.

2. It would be appreciated if you could send me, for transmission to ERS, two copies of the paper on "Trends in Chinese Science," done by the Library of Congress.
